

LIGHT 'EM UP SALES CONTEST

Earn your chance to win a brand new Corvette!

GOAL TRACKER

PAST WINNERS

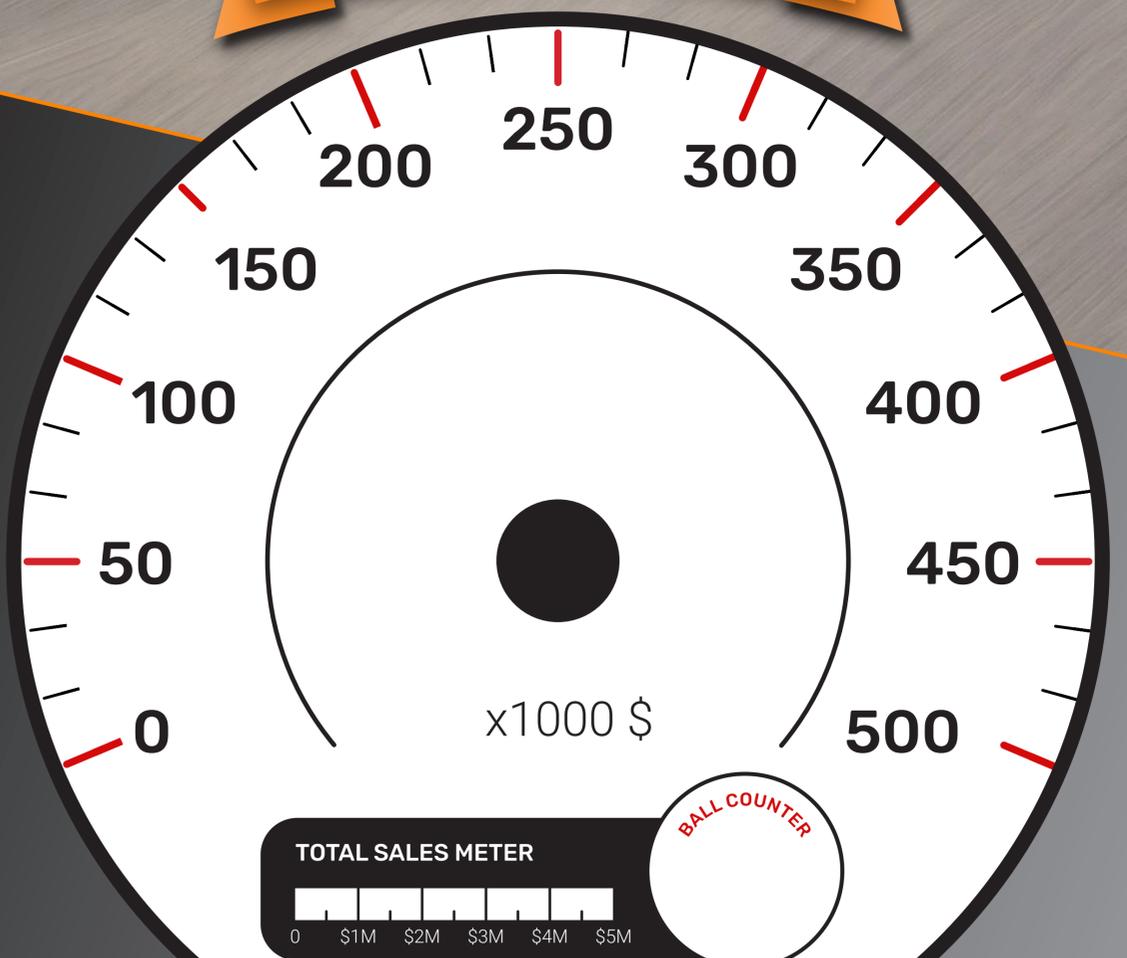

2018

Contemporary Energy Solutions
Tony Vlastelica, Wisconsin

2019

Century Commercial Service
Keith and Brent Estes, California

You can use the tachometer to track your sales goal towards earning balls by drawing a needle with a dry-erase pen. When reaching 500, add 1 ball to the ball counter. After that, earn additional balls for every 250. Use the total sales meter to track total sales.

HOW TO WIN?

**Sell \$500,000 of Linmore LED products and get your name on a ball.
For each additional \$250,000, get your name on an additional ball. Sell \$1 million = get 3 balls.**

Each ball earned increases chances of winning. All balls will be labeled by participant and placed in a lottery-style tumbler. Participants will be invited via email to a live video webinar where the winning ball will be drawn. New Chevrolet Corvette, approximate value \$60,000. Terms and Conditions at LinmoreLED.com.
