

Freightliner Northwest

CASE STUDY

Location: **Medford, OR**

Application: **Truck Dealership**

Ace High Bay (AHB)

The AHB is a feature rich, high value option for your high bay needs. Staying true to smart engineering priorities, the AHB is comprised of extruded aluminum bars for LED thermal dissipation. The driver is manufactured by Linmore LED Labs.

RESULTS

Freightliner Northwest replaced fluorescent tubes with Ace High Bays (AHB). The energy savings coupled with the displaced CO₂ resulted in a reduced carbon footprint for the truck dealership.
