

Farm & Home Supply

CASE STUDY

Location: **Havana, IL**

Application: **Retail Store**

Rapid Link® Bar (RLB)

The RLB is a system of Bars, Power Cords, and Mounting Clips made to be rapidly linked and deployed. The Rapid Link® Bar System opens new possibilities for retail, office, and warehouse applications because minimal cost and time is needed for installation; a typically large aspect of an LED upgrade.

RESULTS

Farm & Home Supply replaced fluorescent tube high bays with RLB fixtures. The energy savings coupled with the displaced CO₂ reduced the carbon footprint of the lifestyle supply store.
