

# Farm & Home Supply

## CASE STUDY

Location: **Quincy, IL**

Application: **Retail Store**

### Eliminator High Bay (EHB)

The EHB is a powerful package of aluminum light bars, high efficacy LEDs, and optics options. With efficacy over 170 lumens per watt, maximum energy savings will be achieved. For warehouse aisles, a specific optic option has been developed for maximum punch..

### RESULTS

Farm & Home Supply replaced fluorescent tube high bays with Eliminator High Bay fixtures. Light levels increased from 27 to 45 footcandles, improving visibility and safety to guests and employees while reducing the operating costs of the retail store.
