

**LinmoreLED**<sup>®</sup>  
ULTRA PERFORMANCE LIGHTING

## **CASE STUDY: WEST WASHINGTON COUNTY COMMUNITY SCHOOL**

Okawville, Illinois

**The Linmore LED Labs Eliminator High Bay (EHB)** is a powerful package of aluminum light bars, high efficacy LEDs, and optics options. With efficacy over 170 lumens per watt, maximum energy savings will be achieved. For warehouse aisles, a specific optic option has been developed for maximum punch.
