

# Young's Payless Market

**LinmoreLED®**  
ULTRA PERFORMANCE LIGHTING

## CASE STUDY

Location: **Copperopolis, CA**

Application: **Grocery Store**

### Internal Driver Tube (ID)

The ID Tube sets the standard for LED tubes in this category. True to Linmore standards, our Internal Driver Tube combines the important attributes of thick aluminum extruded construction, LEDs populated to an aluminum strip, and high efficacy.

### RESULTS

Young's Payless Market replaced fluorescent tubes with Internal Driver LED Tubes (ID). Light levels increased from 35 to 50 footcandles, improving visibility and safety to guests and employees while reducing the operating costs of the grocery store.
