

## SKINNY-T TROFFER (SKT)

### Linmore LED Labs

Skinny-T Troffer Fixture (SKT) is a new take on a traditional product. The Skinny-T is a modern aesthetic troffer and a serious energy play. The lens comes beneath the ceiling by 1.5" creating a look that is all new for troffer lighting and transforms a work place. The light engine of the Skinny-T is Linmore's patented URS Light Bar System combined with a dimmable driver. When the objective for a new troffer is to leave old paradigms behind with ultra-low energy, the Linmore Skinny-T Troffer is the clear choice.

### HIGHLIGHTS

- Efficacy >130 Lumens per watt
- L90 >102,000 hours
- Aluminum Extruded bar for maximum longevity
- 0-10V Dimming Driver
- Frosted Lens Standard
- Warranty: 20 Years Light Bar  
10 Years Driver

### INSTALLATION

# SKINNY-T TROFFER (SKT)

## Efficacy:

- Only High Quality LEDs used to ensure maximum light output and longevity

## Thermal Dissipation:

- The SKT uses our URS light bar as the light engine. The URS has an L90 rating of >102,000

## Lens:

- Highly transmissive plastic is used for maximum lumen output

## Lumen Output

Wattage	Lumens
18	2340
22	2860
26	3380
30	3900
36	4680
44	5270

## Specifications

Suitability	For use with T-Bar Ceiling
Warranty	20 Years Light Bar / 10 Years Driver
Expected Life	>102,000 L90
Driver	Dimmable 0-10V, comes with 12V output compatible with most wireless controls.
System Wattages	2' - 18W, 22W 4' - 22W, 26W, 30W, 36W, 44W
Efficacy	>130 Lumens Per Watt
Voltage	100-277V
Lens Options	Frosted
Color Rendering Index (CRI)	>80
Color Temperature	3500K, 4100K or 5000K
Operating Temperature	-40F +140F
Power Factor	0.99
Certifications	UL, RoHS, cUL

## Ordering Information

Model	Size	Housing Color	Kelvin	Wattage	Options	
LL-SKT-	2'	White	3500K (35K)	18W, 22W	LEDD	Enocean Wireless Module
	4'	Black	4100K (41K)	22W, 26W, 30W, 36W, 44W		
			5000K (50K)			

## Example

LL-SKT-4 -W-41K - 30W

Weight: 7 lbs. (2') and 10 lbs. (4")
